

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the NESS-InhomeNonmedicalCare.Com and New Era Support Services (NESS) and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to New Era Support Services include NESS-InhomeNonmedicalCare.Com and NESS. The NESS website is a Marketing site. By using the NESS website and by doing business with us, you consent to our simple policy regarding privacy.

NESS will not publish, share, or sell information about our clients, contacts, and caregivers.

We strictly observe all national, state, and local laws and regulations regarding clients' information and employee information.

Information provided by individuals through inquiry and through employment inquiry form is strictly confidential

Employees with access to client information are made to sign confidentiality agreement that prohibit the use of the information outside of providing direct care for clients.
